## Phoenix Golf & Country Club

27 holes, par 72 (6969 yards)

*(enjoyable and well designed Peter Thomson course in scenic countryside)*

The Phoenix Golf & Country Club located in Banglamung Pattaya is a hilly course and has narrow fairways with large greens. There are mountain and sea views however not that many water hazards on the course.

The large mango, eucalyptus trees and flowering shrubs give the golf course a natural feel to the layout.

The course is well worth playing with its large clubhouse and above average maintenance

*Rate per golfer in USD include green fee 18 holes + caddy fee + transfer R/T*

## Burapha Golf Club [www.buraphagolfthailand.com](http://www.buraphagolfthailand.com)

36 holes, par 72 (7172 yards)

The two 18-Hole championship golf courses have been planned by the highly respected architect Gary Panks and world - famous touring professional David Graham. Their own mission, now achieved with remarkable precision and dedication was to build a club that would be recognised for its exceptional standards in the most prestigious golfing circles here in Thailand and throughout the Pacific Rim.
